839 Ramblewood Circle

\$665,000

3 Bedrooms | 2 Bathrooms | 1,807 Sqft

Centrally located in the heart of Mount Pleasant, this home offers unbeatable convenience -- just minutes from the beaches of Sullivan's Island and Isle of Palms, and close to top-rated schools, shopping, award-winning dining, and premier healthcare. Nearby town and county parks, plus private clubs, open the door to golf, tennis, equestrian facilities, water sports, youth sports leagues, and hiking trails. Multiple public boat landings provide easy access to inshore and offshore recreation, and nearby federally protected wildlife areas invite exploration. Inside, you'll find an updated, contemporary-styled kitchen, primary bath, and flooring throughout. A massive sunroom/game room offers generous space for both active fun and quiet relaxation. Set in a cul de sac on one of the neighborhood's largest lots, the mature landscaping includes established grass, flowering shrubs, several large hardwood trees, and a producing lime tree. The spacious, fenced backyard leaves plenty of room for a fire pit, pets, play -- or even a future pool. Rounding out the property are a one-car garage, a storage shed, and an outdoor shower. Flooding concerns are minimal here since the house is in a zone that FEMA considers low risk. This is a rare find in an established Mount Pleasant address -- schedule your showing today!
