This updated brick ranch perfectly blends classic 1960s character with sleek modern upgrades. Inside, the bright layout flows from a welcoming living room into a stunning modern kitchen equipped with quartz counters, peninsula island, natural gas range, and stainless-steel appliances. There is a quaint dining area and a large family room. For daily convenience, the home includes a dedicated interior laundry room with extra storage. The fully fenced backyard serves as a private outdoor retreat, complete with a custom-built patio, beautiful gardens, and functional workshop/shed wired with 120-amp electrical panel, all shaded by a majestic grand oak tree. This charming move-in-ready home is hard to find, with its effortless commute just a few miles from downtown Charleston, I-26, and I-526. With no HOA restrictions, there is an opportunity to enjoy the good life without the extra expense of storing a boat or trailer. HVAC was replaced in February of 2026. This home is also currently under termite bond. Use the Seller's Preferred Lender to buy this home and receive an incentive towards your closing costs or rate buydown.
