Beautifully renovated 5-bedroom home in Pine Forest Country Club, one of Summerville's most desirable golf communities, with a main-level primary suite, showpiece remodeled kitchen, spa-inspired primary bath, and soaring two-story great room. The remodeled kitchen is one of the home's standout spaces, with crisp white cabinetry, quartz countertops, a large peninsula with seating, tile backsplash, updated lighting, and brushed-gold hardware. A renovated butler's pantry extends the same finishes toward the dining room, adding both storage and an attractive space for serving or entertaining. Just beyond the kitchen, the two-story great room feels bright and open, with hardwood floors, abundant natural light, and a gas fireplace creating a comfortable centerpiece for the main living area. A separate dining room provides additional space for gatherings, while the adjacent enclosed sunroom offers a bright, flexible space overlooking the backyard. The main-level primary suite features a beautifully redesigned bath with a freestanding soaking tub, frameless glass shower, dual-sink vanity, updated fixtures, and a striking herringbone tile accent wall. A walk-in closet completes the suite. Upstairs are four additional bedrooms and a full bath, providing plenty of flexibility for family, guests, home offices, hobbies, or play space.
