4 Bedrooms | 2 Bathrooms | 1,701 Sqft

Welcome to this beautiful and well-kept home situated on a cul-de-sac street minutes from I-26, restaurants, shopping and downtown Summerville! With brand new custom cabinets and quartz countertops, new carpet and a roof from 2024, this home offers the perfect opportunity to enjoy living in a nicely maintained home in an amazing location. The full front porch is the perfect welcome, boasting rounded columns and plenty of room for rocking chairs. The family room is ample in size for an L-shaped couch and features lvp flooring and a ceiling fan. The beautiful kitchen overlooks the family room and is graced with gorgeous new quartz countertops, new cabinetry and tile flooring. The separate dining area is large in size and boasts smooth ceilings as well as lvp flooring. There are two guest bedrooms located on the first floor with both sharing a full downstairs bathroom. The primary bedroom on the second floor is the perfect get away. Graced with custom overhead lighting, new carpet, smooth ceilings, custom shelving and a walk-in closet, this bedroom is comfortable and serene. Across the hall is situated the fourth bedroom, featuring new carpet and custom chair rail. A door in the fourth bedroom accesses the huge attic space, providing for plenty of storage space and the opportunity to enclose in the future to create a media room/fifth
