This is a beautiful renovation of this classic traditional home on a peaceful cul-de-sac. The 8 foot Mahogany door sets this apart right when you walk up lending a more custom feel to the house. Once inside, new board and batten wainscoting in both the living area/study and the dining room highlights these areas along with crown molding. The family room is open to the kitchen and features a shiplap accent wall with a fireplace with a reclaimed wood mantle. The kitchen is all new with new soft close shaker cabinets, tile backsplash, upgraded quartz countertops, and stainless appliances. There is also a pantry and butler cabinet area connecting the dining room. The wood floors are either new or refinished. Upstairs there are 4 brs. The primary br features a walk-in closet and a stunning master bath. The master bath has wood floating vanity with double sinks, separate soaking tub, and a separate tile shower. The whole bathroom has upgraded Moen fixtures and has a modern spa like feel to it. The guest bath has a new wood vanity with shiplap accent wall, tile floor and shower surround, and upgraded Moen fixtures. There are new wood floors in the master bedroom and 2 of the guest bedrooms. There is a large 4th bedroom/frog that could have multiple uses. There is a finished attic area/3rd floor that would make a great exercise room, hang out for the
