Incredible opportunity for a turn-key end unit townhome with many recent improvements, just off of Coleman Boulevard within walking distance of shopping, dining, and Shem Creek! 656 Coleman Blvd Unit 707 features 4 bedrooms, 3.5 baths with almost 2600 square feet of customizable living space, ideally situated in the back of the community for added privacy. Recent improvements include new hardwood flooring on the first floor, brand new carpet throughout, new interior paint throughout, and many designer updates! Exterior maintenance and landscaping are included in the HOA for lock & leave convenience. The first floor foyer opens to a spacious family room or mother-in-law suite with new hardwood flooring and additional upgrades, including plantation shutters and designer light fixtures. Off of this space is a full bathroom with ample vanity cabinet space and a tub-shower combo. An elevator shaft, currently additional closet space, can be converted for elevator service to all three levels of the home. Accessible parking and storage is provided by the attached 2-car garage on this ground floor. The second floor great room is flooded with natural light as the open concept floor plan flows seamlessly into the dining space and kitchen, each defined by stunning designer light fixtures. The kitchen features a center island with room for
