Charming, Not Cookie Cutter! Welcome Home to 4716 Landerwood Ct. Tucked away on a quiet cul-de-sac in the established Woodington neighborhood, this brick ranch has the kind of character you just can't find in a new build. Mature landscaping gives it instant curb appeal, and inside you'll find a home that's been thoughtfully updated in all the right places, without losing its original charm. The kitchen includes maintained butcher block countertops, white cabinets, a farmhouse sink, tile backsplash and upgraded lighting. Both bathrooms have been updated as well! The backyard is where this home really shines: a true retreat for grilling, entertaining, or just unwinding after a long day. The extended patio and the fire pit are added bonuses. And with the roof recently replaced, HVAC inspected and serviced, and a newer water heater, newer windows, fridge, washer and dryer included, the big-ticket items are already handled, so you can move in and simply enjoy it. Location seals the deal. You're minutes from shopping, dining, and easy access to I-26, with quick commutes to the Air Force base, Boeing, and beyond, all while coming home each night to the peace and privacy of a quiet, established cul-de-sac. This is Charleston living without the cookie-cutter price tag. A lot of house, tons of yard, totally turn key, in the right place, for the money. Schedule a
