Welcome to 54 Morgan Place Drive, a spacious custom home overlooking a lagoon and the 14th fairway of the Harbor Course in Wild Dunes. Designed with a reverse floor plan to maximize natural light and views, the home offers high ceilings, generous living spaces and a thoughtful layout across three levels. 54 Morgan Place features a 3 stop elevator, a heated, salt water pool and full house generator! The main level serves as the heart of the home, where the kitchen, dining and living spaces flow together in a bright, open setting. The kitchen features a large center island, induction cooktop, double ovens and direct access to the balcony overlooking the pool. A separate scullery with an additional dishwasher, along with a generous walk-in pantry, provides excellent prep and storage space and makes the kitchen especially well suited for hosting friends and family. A fourth bedroom with an en-suite bath completes this level. The first floor is home to the spacious primary suite, which enjoys beautiful golf course views and includes an adjoining sunroom or library as well as a separate office or nursery. The primary bath features a dual vanity, large walk-in shower and private water closet, along with a generous walk-in closet. Two additional bedrooms, each with their own en-suite bath, and the home's main laundry room are also located on this
