3 Bedrooms | 2.5 Bathrooms | 1,715 Sqft

Welcome to 1443 Oaklanding Road, a beautifully updated 3-BDR, 2.5-BA in Mount Pleasant's established Oakhaven neighborhood. Offering 1,715 SF, more than \$50,000 in recent improvements, and a thoughtfully upgraded backyard, this home pairs move-in-ready interiors with a location that makes enjoying Mount Pleasant easy. Inside, hardwood floors, plantation shutters, and a wood-burning fireplace bring warmth and character to the main living spaces. The kitchen was refreshed in 2025 with an updated backsplash, painted cabinetry, new hardware, and appliances, including the refrigerator, dishwasher, and microwave. Upstairs, premium carpet with low-VOC padding was installed in October 2025, while the primary suite features its own private porch and an updated bathroom with a remodeled shower and new double vanity. Additional improvements include new interior doors and added Rockwool insulation and resilient channels in select areas for enhanced sound dampening. Major systems have also been addressed, including a new HVAC system installed in January 2026, a roof replaced in 2023, and an active termite bond, offering added peace of mind for the next owner. Outside, the backyard has been transformed into a low-maintenance space designed for both entertaining and everyday enjoyment. Artificial turf, a covered patio,
