Freshly Painted Pond-View Home with Exceptional Space & Upgrades Welcome to 165 Lindera Preserve Blvd., a beautifully maintained Jasper model offering a spacious floor plan, thoughtful upgrades, and a peaceful pond setting. Freshly painted throughout, this home is move-in ready and waiting for its next owners. The welcoming foyer opens to soaring ceilings and an impressive two-story living room filled with natural light. From there, step into the all-season porch and enjoy tranquil pond views in a comfortable space designed for year-round relaxation. The main level also features a private guest bedroom with a full bath, making it ideal for visitors or multi-generational living. A dedicated dining room provides plenty of space for entertaining and holiday gatherings. The kitchen is truly the center of the home, featuring an oversized island, stainless steel appliances, double wall ovens, a 36-inch gas cooktop, vented microwave, and ample cabinetry. A convenient butler's pantry offers additional storage along with a built-in work/tech station. The open-concept design connects the kitchen to the family room, making everyday living and entertaining effortless. Upstairs, the spacious primary suite overlooks the picturesque pond and features its own HVAC zone for added comfort. Both primary closets have custom organization systems, while the ensuite
