Welcome to the ****Woodside****, an impressive three-car garage floor plan offering exceptional space, flexibility, and privacy on a desirable corner homesite. The first floor features a spacious flex room ideal for a home office, formal dining room, playroom, or additional living space, along with a private guest suite perfect for overnight visitors. The heart of the home is the expansive open-concept living area, highlighted by a ****massive kitchen**** with abundant cabinet and counter space that flows seamlessly into the oversized great room-creating the perfect setting for entertaining or everyday living. Upstairs, the expansive primary suite offers a true retreat with generous proportions and ****separate his-and-hers walk-in closets****. The secondary bedrooms are equally impressive, offering unusually large room sizes and their own walk-in closets, providing excellent storage throughout the home. Situated on a ****prime corner lot****, this homesite offers a unique level of privacy with only one neighboring home directly beside you and wooded surroundings along the rear. The positioning of the lot also provides ****ample parking and additional space for guests****, perfectly complementing the home's three-car garage. If you're looking for a home that combines oversized living spaces, an incredible kitchen, flexible rooms, abundant storage, exceptional parking, and
