A must-see in the Wando Village water front community! A beautiful natural light-infused home featuring numerous builder upgrades throughout. Highlights include elegant coffered ceilings, all-wood flooring, and a gourmet kitchen equipped with quartz countertops and ceiling high cabinets. This lightly lived-in residence is designed for both entertaining and comfort, boasting a custom built-in bar and elevator. Enjoy expansive outdoor living with a large front porch calling for a porch swing or rockers plus rear porches off both the first and second levels that overlook the serene wooded backyard. Ideally located with walking trails and a community dock just down the street.
