3 Bedrooms | 2 Bathrooms | 1,482 Sqft

Welcome to 5301 Helene Drive in the established Evanston Estates neighborhood! You will immediately notice the beautiful magnolias and palmetto trees that flank the front walkway. This charming all-brick ranch offers the perfect combination of space, convenience, and value with 3 bedrooms, 2 full baths, a 624sqft 2-car attached garage, and a location that makes commuting a breeze. Recent improvements include a renovated kitchen with soft close cabinetry, refinished original hardwood floors, new interior trim, and a brand new primary bathroom with walk-in tile shower. The spacious eat-in kitchen features a sliding glass door leading to a large, fully fenced backyard shaded by mature trees - ideal for entertaining, pets, gardening, or simply enjoying the outdoors. Conveniently located just minutes from Charleston International Airport, Joint Base Charleston, Boeing, Bosch, and major highways including I-26 and I-526, you'll enjoy quick access to Downtown Charleston, shopping, dining, and area beaches. Best of all, the property is located in a no HOA neighborhood and X flood zone, meaning flood insurance is typically not required by lenders. If you've been searching for a beautiful brick home in North Charleston with flexible living space, a large fenced yard, and an unbeatable location, 5301 Helene Drive is one you won't want to miss.
