\$975,000

4 Bedrooms | 2.5 Bathrooms | 1,985 Sqft

Welcome to this spacious single-story ranch home situated on an expansive 0.40+ acre lot in the established Snee Farm community. Combining key updates with incredible value and space, this property is move-in ready with room to personalize or add future equity. At the heart of the home, the thoughtfully updated kitchen boasts upgraded cabinetry with custom pull-out shelving, high-end countertops, and a commercial-grade gas stove ready for home chefs. The layout flows seamlessly into a generous family room featuring a cozy fireplace as a central focal point, alongside a formal separate dining room designed for traditional gatherings. A bright, sunlit sunroom offers valuable flex space, perfectly suited for use as a 4th bedroom, private home office, playroom, or secondary lounge.

Both Welcome to this spacious single-story ranch home situated on an expansive 0.40+ acre lot in the established Snee Farm community. Combining key updates with incredible value and space, this property is move-in ready with room to personalize or add future equity. Some of the photos have been staged electronically to assist in ideas for personalization. At the heart of the home, the thoughtfully updated kitchen boasts upgraded cabinetry with custom pull-out shelving, high-end countertops, and a commercial-grade gas stove ready for home chefs.
