4 Bedrooms | 2 Bathrooms | 2,176 Sqft

Move-in ready and brand new for 2026! Situated on a spacious 1.66 acre lot, this beautiful 4-bedroom, 2-bath home offers plenty of room inside and out. Step inside to a bright, open floor plan designed for both comfortable everyday living and entertaining. The home features a spacious living room plus a second large living area/den/family room, providing flexible space for relaxing, entertaining, a home office, or play area. At the heart of the home is a large, well-appointed kitchen featuring a center island, abundant counter space, plenty of cabinetry for storage, and all-new appliances. The adjoining dining area creates an easy flow between the kitchen and living spaces. A generously sized laundry room provides additional convenience and storage possibilities. All four bedrooms offer comfortable space and versatility. The Primary Suite is especially spacious, with plenty of room for a king-size bed and additional furniture, along with a walk-in closet. The en-suite bathroom boasts a sunken garden tub, separate walk-in shower, and double vanity, creating a comfortable and functional private retreat. With its brand-new construction, spacious interior, flexible living areas, and large lot, this home is ready for its first owners to move in and make it their own!
