4 Bedrooms | 3 Bathrooms | 2,734 Sqft

Flexible Living at Its Best in Hickory Hill Plantation! This beautiful brick home offers 4 bedrooms plus a TRUE FLEX SPACE that can easily function as a 5th bedroom, oversized family room, home office, or private guest/mother-in-law suite. With its own exterior door opening to the deck, this versatile space creates exceptional options for multi-generational living, entertaining, or simply spreading out. The inviting family room features a cozy fireplace, while the updated kitchen showcases quartz countertops and hardwood floors throughout most of the home. A bright sunroom, FROG with a full bath, spacious two-car garage, and whole-house generator complete this exceptional home. Four bedrooms, incredible flexibility, and room to live your way!
