READY OCTOBER!! This welcoming two-story home features a primary suite on the main level, a fiber cement exterior, and is situated on a beautiful pond homesite, setting the stage for comfort, durability, and a naturally serene backdrop. Designed with everyday convenience in mind, it offers three bedrooms and two-and-one-half baths in a layout that feels both open and functional. Just inside the entry, the kitchen features an efficient design that flows smoothly into the dining area and spacious great room--an ideal setup for relaxed daily living or hosting friends with ease. Privately positioned on the main level, the primary suite creates a peaceful retreat with a generous walk-in closet, extra linen storage, and a spa-inspired bathroom complete with a walk-in shower. Upstairs, wood spindle railings lead to a versatile bonus room with closet, along with two large secondary bedrooms--each featuring its own walk-in closet--and a full bath, offering plenty of flexibility for loved ones, guests, hobbies, or a dedicated home office. **THIS HOME ALSO INCLUDES WASHER/DRYER, FRIDGE, BLINDS AND GARAGE DOOR OPENER!**
