Daniel Island is more than a place to live--it's a way of life. This unique island community offers the charm and everyday conveniences of a small town. Miles of scenic walking and biking trails connect neighborhoods, parks, and green spaces throughout the island. Enjoy world-class concerts, tennis, and entertainment to the community throughout the year. Ideally located just 10 miles from Charleston International Airport and 20 minutes from historic downtown Charleston and area beaches. Daniel Island offers an exceptional combination of convenience, natural beauty, recreation, and the unmistakable charm of the Lowcountry. Daniel Island Park is an elevated residential community defined by its mature trees, lush landscaping, beautifully manicured grounds, and vibrant seasonal flowers throughout. An impressive collection of architecturally distinctive, custom-built residences adds to its character and sense of place. The Park Club offers two resort-style saltwater pools with designated lap areas, along with a state-of-the-art fitness center, tennis, pickleball, and padel courts. The Daniel Island Club adds multiple dining venues and a year-round calendar of golf, tennis, and social events. It is within this exceptional setting that 141 Ithecaw Creek Street makes its impression--Built in 2026, a remarkable 5,400-square-foot residence uniquely
