\$735,000

2 Bedrooms | 2.5 Bathrooms | 1,520 Sqft

With a fresh, stylish interior, this renovated townhome offers high-end designer finishes and a sought-after location in the heart of Daniel Island. Upgraded features include: hardwood floors and plantation shutters throughout, updated white kitchen with coffee bar and dining nook, designer lighting, modern bathrooms and custom closet systems. Adding bonus versatility - garage enhanced 2025 with epoxy flooring, a dedicated mini-split HVAC system and French doors opening to courtyard - perfect for a home gym or recreation space for indoor outdoor living and entertainment. The upstairs primary suite offers a spa-inspired retreat with backlit mirrors, heated towel racks, a freestanding soaking tub and generous walk-in closet. Elevate your lifestyle in this Daniel Island retreat. Beautifully renovated with thoughtful designer updates throughout, this Daniel Island residence blends sophisticated finishes with flexible, functional living spaces. Hardwood floors flow throughout the home, complemented by designer lighting and beautifully renovated bathrooms featuring modern tilework and glass-enclosed showers. The spacious primary suite offers a spa-inspired retreat with a freestanding soaking tub, beautifully updated bath and generous walk-in closet with custom organization. Second level also offers guest room with en suite bathroom and closet, as
