3 Bedrooms | 1.5 Bathrooms | 2,115 Sqft

NEW 2025 ROOF! This well-maintained brick ranch is nestled in the highly desirable Forest Hills subdivision of Walterboro and offers the perfect blend of classic charm and comfortable living. Featuring **3 bedrooms, 1.5 bathrooms, a one-car garage, and a MASSIVE 24x24 BONUS/SUNROOM ADDITION**, this home has plenty of room to enjoy everyday living and entertaining. The sunroom is a true highlight, filled with an abundance of natural light and offering the perfect space to gather with family and friends, watch the big game, enjoy your morning coffee, or unwind after a long day. Inside, you'll find a beautiful brick fireplace which creates a warm and inviting focal point in the living area that is currently being used as a dining room. This home has many creative opportunities for the space! Built-in bookshelves and wine racks add both character and functionality, while the eat-in kitchen provides a comfortable space for casual meals. The spacious sunroom also features a convenient **wet bar**, making entertaining a breeze! NEW Luxury Vinyl Floors have recently been added to the Kitchen, eat in and sunroom! The kitchen has also been slightly renovated to open up and create more space for seamless transition to the eat in area and sunroom. There are no backyard neighbors! Situated on **over half an acre**, the property offers plenty of
