3 Bedrooms | 2.5 Bathrooms | 1,420 Sqft

Magazine-worthy and pristine inside and out, this beautifully styled 3-bedroom, 2.5-bath townhome showcases custom colors, modern coastal design touches, and LVP flooring throughout, with carpet only in the two secondary bedrooms. The thoughtfully designed floor plan includes a spacious primary suite with two separate walk-in closets and a walk-in shower, while the secondary bedrooms share a convenient Jack-and-Jill bath. These unique attached homes are connected by exterior storage spaces, eliminating direct living-area wall-to-wall contact. Step outside to a screened porch and fenced backyard featuring a brick-paver patio, established flower beds, and the peaceful feel of a private courtyard. Additional highlights include a new HVAC installed last year, a one-car garage with epoxy flooring, driveway parking for two vehicles, and nearby guest parking. Residents enjoy two neighborhood pools, inviting spaces for walking, and a welcoming community atmosphere--all just minutes from the heart of Summerville, I-26, Boeing, Volvo, restaurants, shopping, festivals, and everything that makes small-town living so special.
