Welcome home to this beautiful residence ideally situated on the largest lot in the neighborhood, tucked away on a quiet cul-de-sac and overlooking peaceful greenspace. Backing to protected wetlands, this homesite offers exceptional privacy, serene natural views, and plenty of outdoor space--with ample room to add a pool! Inside, the thoughtfully designed open floor plan offers a wonderful blend of relaxed entertaining spaces and everyday functionality. The first floor features a private study, full bathroom, and spacious family room centered around a cozy gas fireplace. The gourmet kitchen is sure to impress with a gas range, double ovens, oversized center island, walk-in pantry, and plenty of space for gathering and socializing. The dining room completes the main living area with sophisticated grasscloth wallpaper adding warmth, texture, and timeless elegance, while large windows add an abundance of natural light. Numerous storage closets throughout the home provide plenty of convenient space to keep everything organized. Upstairs, you'll find a versatile loft/media room, three additional bedrooms, a full bathroom, and a large laundry room. The expansive primary suite offers a relaxing retreat with a tray ceiling, private en-suite bath, and generous walk-in closet. The finished two-car garage, complete with insulation and drywall,
