2 Bedrooms | 2 Bathrooms | 1,211 Sqft

A great opportunity to own a one-story townhome on Johns Island at an affordable price point! With HOA dues of only \$88 per month, this home offers an appealing alternative to many area condos. Tucked along quiet Walter Drive, the property features a brand-new 2026 roof, fresh interior paint, and new flooring. The spacious layout includes high ceilings, two full baths, and an oversized kitchen with abundant cabinet and countertop space, plus a comfortable eat-in dining area. Rear parking provides the convenience of your own dedicated space without having to search for an open spot. With plenty of room, low monthly HOA dues, and easy one-level living, this Johns Island townhome is a great opportunity for a primary residence, second home, or investment. 15 minutes to downtown Charleston, and many restaurants and grocery stores all within 5 minutes of this townhouse!
