Central Mount Pleasant Living! Conveniently located near area beaches, Towne Centre, schools and the planned county park, this 2013-built home offers an open floor plan, generous living spaces and a large lot with room to enjoy the outdoors. A brand-new HVAC system adds peace of mind, while high ceilings and an open layout create a spacious, welcoming feel. The main living area features an open-concept kitchen and family room with a gas fireplace, creating an inviting space for everyday living and entertaining. A separate dining room/flex space offers additional versatility for dining, a home office, playroom or other needs. Upstairs, you'll find three generously sized bedrooms plus a loft/flex space with its own closet that could potentially be converted into a fourth bedroom, subject to buyer verification and any required approvals. The spacious bedrooms provide plenty of room for family, guests or a home office. Step outside to the screened porch with removable panels, extending the usefulness of this outdoor living space through multiple seasons. The large lot and additional storage add even more functionality. With a brand-new HVAC, large lot, flexible floor plan, spacious bedrooms and a convenient central Mount Pleasant location, this is an opportunity you won't want to miss!
