2 Bedrooms | 2 Bathrooms | 1,068 Sqft

Extensively renovated 2BR/2BA corner condo offering elevated first-floor living and a covered porch overlooking peaceful green-space. Nearly every interior space has been thoughtfully updated, creating a fresh, move-in-ready home on James Island. The kitchen features new cabinetry, quartz countertops, bar seating and an open connection to the living area. COREtec flooring runs throughout, while both bathrooms have been beautifully redesigned with new vanities, tiled tub surrounds, recessed niches and upgraded fixtures. An LG stackable washer and dryer convey. The primary bath adds a spa-like touch with an oversized whirlpool tub and inline heater, while the guest bath features its own soaking tub and beautifully tiled surround. The renovation also included plumbing and electrical improvements, drywall and finish work, and conversion of the original gas fireplace to an electric fireplace. The corner location provides additional privacy and natural light, while the porch and greenspace view create a welcome outdoor retreat. Conveniently located on James Island with easy access to downtown Charleston, Folly Beach, shopping, dining and everything the Lowcountry has to offer.
