Step inside what is essentially a brand-new custom home, rebuilt from the ground up with exceptional craftsmanship and modern luxury in mind. This stunning property has undergone a complete transformation--nearly every component is new, including framing, electrical, plumbing supply and drain lines, natural gas systems, fixtures, and more. It's the rare opportunity to own a home that blends the charm of an established neighborhood with the peace of mind of new construction. The home is powered by all-new natural gas systems, including gas heat, a gas range connection in the kitchen, and a dedicated hookup for outdoor grilling on the expansive rear deck. The entire HVAC system, from ductwork to both units, is brand new and protected by a 10-year manufacturer warranty. Major upgrades continue throughout: a new roof, spray-foam insulation, all-new drywall, fresh interior and exterior paint, all-new windows, and beautiful white oak flooring that flows seamlessly through the home. With approximately 1,200 square feet added, the residence now offers 2,928 heated square feet, featuring 4 bedrooms and 4 full bathrooms--each space thoughtfully designed for comfort and style. The heart of the home is the completely redesigned kitchen, equipped with premium Caf Collection appliances and elevated finishes that make everyday
