This is truly a special opportunity--a luxurious, turnkey condo impeccably renovated from top to bottom with exceptional attention to detail. No expense was spared, with top-of-the-line products, finishes, and fixtures throughout. Beautifully designed and completely move-in ready, the home offers a sophisticated yet comfortable feel with breathtaking marsh views that create a peaceful backdrop for the living spaces. Every detail has been thoughtfully considered, making this an exceptional property for even the most discerning buyer. The chef's kitchen is a true showpiece equipped with a Sub-Zero refrigerator, Sub-Zero wine fridge, Sub-Zero beverage drawers, Wolf range, Cove dishwasher, and Wolf drawer-style microwave. The Dolomite natural stone waterfall island, imported from Brazil, is wrapped in textured metal tile that continues onto a dramatic abstract accent wall, the gas fireplace is framed in Italian porcelain. The art of entertaining is beautifully realized in the expansive dining area, anchored by a custom-designed wine bar and opening onto an oversized corner balcony with abundant natural light and refreshing river breezes. Throughout the residence, lighting is treated as art, with hand-blown Italian glass chandeliers illuminating the dining room, foyer, and hall bath. Each of the three bedrooms are dawn-lit and thoughtfully
