Some of Mount Pleasant's best locations are the ones you barely know are there. Tucked away in the intimate Home Farm neighborhood, 1644 Home Farm Road offers an increasingly rare combination: an exceptionally quiet cul-de-sac setting with no through traffic, yet just a short drive or bike ride from Sullivan's Island and Old Village. Here, the neighborhood feels peaceful and removed while remaining in the heart of one of Mount Pleasant's most desirable areas. Set on a beautifully landscaped lot surrounded by mature Lowcountry trees, this 3,710-square-foot home offers 4 bedrooms, 4.5 baths and a spacious loft. Inside, sophisticated finishes and a relaxed coastal aesthetic come together through wide-plank hardwood floors, extensive millwork, shiplap detailing, exposed beams, designer lighting and abundant natural light. The kitchen is designed for both everyday living and entertaining, centered around an oversized stone island and complemented by professional-style appliances, generous cabinetry, a beverage center, butler's pantry/bar and walk-in pantry. The open living spaces flow naturally to a large screened porch overlooking the backyard. Outdoors, the home truly distinguishes itself. A beautiful pool and expansive stone pool deck anchor a private backyard framed by mature oaks, palms and lush landscaping. A
