Welcome to 840 Ramblewood Circle in Wando Lakes! Tucked away on the last cul-de-sac at the back of the neighborhood, this home enjoys little through traffic in the heart of highly desirable South Mount Pleasant's 29464 zip code. With four bedrooms, including two primary suites, three full baths, plus a large bonus room and a spacious screened porch, there's plenty of room to spread out at just under 2000 square feet. Mature trees frame the home, with a driveway providing off-street parking and a double gate offering access to the side yard for boat or RV storage. Step through the front door into the living room, where a vaulted ceiling and fireplace create an inviting gathering space. The living room connects easily to the dining area and kitchen, keeping everyone together while allowing room to spread out. The kitchen offers stainless steel appliances, plenty of counter space, and a breakfast bar for casual meals or conversation while cooking. Sliding doors off the dining area lead to the back patio, making it easy for outdoor entertaining. The main-level primary suite features a vaulted ceiling with an exposed wood beam, a walk-in closet, and a private bath with a tiled tub and shower surround. This bedroom has a door opening directly onto the screened porch. Two additional bedrooms and a full hall bath sit on the opposite side of the house,
