Welcome to 96 Wirsching Lane in Walterboro, SC, where privacy, comfort, and outdoor living come together on approximately 2.7 acres. Tucked away off a private road and positioned near the center of the property, this inviting home offers generous space on both sides, creating the peaceful, private setting of a weekend retreat without ever leaving home. Step onto the spacious screened front porch, complete with a wood-burning stove, and immediately imagine quiet mornings, cool evenings, and year-round relaxation. Inside, the home has been thoughtfully updated with a new kitchen featuring upgraded appliances, upgraded bathroom vanities, and new flooring throughout the 3 bedrooms, kitchen, dining/office, & living room. A large laundry/mudroom provides additional everyday functionality and storage. The outdoor spaces are where this property truly shines. The expansive back porch and entertainment area features two gazebos and a hot tub, creating an ideal setting for entertaining, relaxing, or enjoying the privacy of your acreage. The fenced backyard includes dual gates, providing additional convenience and a great setup for pets. Need room for vehicles, hobbies, equipment, or recreational toys? This property delivers. In addition to the concrete front parking area and walkway, you'll find a two-car carport with a concrete pad, an air-
