Highly desirable, marshfront home at The Waterfront, Daniel Island's newest community. Daniel Island is conveniently located near the airport, downtown Charleston and the fabulous SC beaches! The Waterfront community is walking distance to shops, restaurants, parks, playgrounds, libraries, churches, the new Publix and so much more! Also a short walk or bike ride to Credit One Stadium, a great venue for concerts and sporting events. The Waterfront community has community docks and access to the Daniel Island Ferry - perfect for dining or shopping in downtown Charleston. This brand new construction home, with gorgeous sunsets over the marsh, offers the convenience of a condo, with the luxury and floor plan typically only found in a single family home. This home is perfect for full-time residents desiring more space, privacy, 2-level living with the ability to add an elevator, and a private 2-car garage. The lifestyle at The Waterfront is ideal for full-time residents, but the lock & leave living also offers peace of mind to homeowners using it as a second home. This open concept home features hardwood flooring and designer lighting throughout, a fireplace in the great room, stainless steel appliances in the kitchen, a walk-in pantry, a mudroom/drop zone, a first floor guest room with an ensuite bath and walk-in closet, a powder
