Welcome to 159 Crest Lane, where space, privacy, and potential come together on 2.09 acres in St. Stephen! If you've been searching for a property with room to spread out, plenty of storage, and the opportunity to make a home your own, this one deserves a look. Inside, you'll find a spacious and functional floor plan with generous living areas, a large kitchen with abundant cabinetry, a separate dining area, and a cozy living room featuring a stone fireplace and built-in cabinetry. The home offers plenty of natural light and room for both everyday living and entertaining. Outside is where this property really stands out. The 2.09-acre lot provides a wonderful amount of open space, while a detached two-bay garage/workshop offers excellent storage and workspace for vehicles, equipment, hobbies, or projects. An additional outbuilding provides even more flexibility. The home does need some TLC and updating, but it offers a great opportunity for a buyer who can see the possibilities and wants to put their own finishing touches on a property with plenty of space inside and out. This home is ready for its next chapter.
