Welcome to 2020 Egret Lane, a thoughtfully designed, custom-built home where quality craftsmanship and attention to detail are evident throughout. Careful consideration has been given to every finish and feature, creating an exceptional home that offers a seamless blend of comfort, functionality, and timeless design. A welcoming front porch with views of the river, a classic gas lantern, and French doors set the tone for this exceptional home. The impressive great room and expansive kitchen serve as the heart of the home, featuring soaring ceilings, a stunning stone fireplace, an abundance of natural light streaming through numerous windows, and views overlooking the pool and backyard. Designed with both everyday living and entertaining in mind, the chef's kitchen showcases custom Amish-built cabinetry that continues throughout the home, a premium Bosch appliance package including a built-in gourmet coffee maker, a large quartz island with prep sink, and a generous walk-in pantry with custom shelving. Just off the kitchen, a spacious screened-in porch provides a comfortable setting for enjoying the outdoors and entertaining guests. The home's exterior is constructed with AAC block, a fire-resistant, high-wind-tolerant, and termite-resistant building material. Throughout the home, upscale finishes include custom Amish-built
