5 Bedrooms | 3 Bathrooms | 3,026 Sqft

Imagine waking up on the 7th hole. Sipping your coffee in tranquility. If you have dreamt of a home that has functionality and romance look no further. This home with stunning updates offers seamless living. As you enter the home you are greeted by a large Foyer. The site line of the golf course is immediate. With its wooded back lot and large screed in porch perfect for romantic dinners. Even when it rains you draw the rain screen and continue the meal. With the home being on a cul de sac no one in front or behind you it feels like a secluded retreat. As you continue in the home the large formal living room, current office is to your left, the separate dinning room flows into the kitchen for seamless entertainment. The updated counter tops compliment the solid wood cabinets. Entering into the eat in kitchen the transitions into the family room and pantry allows you to entertain like a professional. The large pantry laundry room adds so much seamless organization. The primary downstairs with full bathroom is off of the family room. It allows multigenerational living or a teenager to gain independence. The large backyard had a fenced in turfed area secure for pets or children. Spend the day playing and the night relaxing around the firepit. The oversized two car garage has golf cart parking or a small car. Plenty of storage space too. Upstairs the extended
