4 Bedrooms | 2.5 Bathrooms | 1,977 Sqft

Move right in and make it your own! 202 Brailsford Road offers hardwood floors and ceramic tile, no carpet, fresh interior paint, a third-acre lot, and a detached workshop, all in a convenient Summerville location. This 1,977-square-foot home features four bedrooms and 2.5 bathrooms. A fireplace anchors the living room, and the tiled dining room offers a dedicated space for meals and gatherings. The kitchen features wood cabinets and granite, plus a breakfast area and a large pantry off the laundry room. The primary suite features a walk-in closet and a separate vanity area, with an adjoining room for the walk-in shower and toilet. One of the secondary bedrooms has a built-in desk in the closet that can easily be removed for full closet space. Outside, the fenced backyard and deck invite outdoor dining or relaxing, and the two-car garage adds everyday convenience. The detached workshop stands out, offering dedicated space for projects, hobbies, or extra storage. Close to Summerville Medical Center, shopping, and restaurants, this home gives you room to spread out with everything you need nearby.
