Privacy, space, and a setting you won't find just anywhere. Set on a spacious wooded homesite, 4432 Palm Shadow Drive has a peaceful, tucked-away feel while keeping you a short drive from Charleston and moments from some of the area's most historic landmarks. Picture evenings around the fire pit, weekends in the backyard, and quiet mornings surrounded by trees. Step inside to a bright home office just off the entry, finished with elegant glass French doors. Beyond it, the floor plan opens into a light-filled living and dining area anchored by a cozy fireplace, ready for movie nights and holiday stockings alike. The kitchen blends style and function with a statement range hood, generous prep space, and a charming nook made for a coffee bar (or a wine bar, if you prefer). A convenient powder room completes the first floor. Out back, the covered porch overlooks the wooded backdrop and quickly shows why this lot is so special. It's an easy spot for slow mornings, outdoor dinners, or unwinding at the end of the day. Upstairs, the primary suite is filled with natural light, with LVP flooring continuing through. It features a large walk-in closet and an ensuite bath with dual vanities and a walk-in shower. Three additional carpeted bedrooms, a full bath with a tub, and an oversized laundry room offer plenty of room for guests, a home gym, or hobbies. Warm,

Brianna Nelson
