Welcome to this immaculate, light-filled home nestled in the highly sought-after Wellborn Village community in Ladson, SC. Designed with a seamless open floor plan, this property is perfect for both daily living and stylish entertaining. Upon entering, the inviting foyer greets you with beautiful hardwood flooring, leading down a hallway that cleverly features extra storage under the stairs and a convenient half bathroom with a pedestal sink. The main level offers incredible flexibility, highlighted by a versatile flex room right off the family room--currently utilized as a dining room, it could easily serve as a dedicated home office or a vibrant playroom. The spacious family room, equipped with a ceiling fan, functions perfectly as a great room with its own dedicated dining area, flowing effortlessly into a beautifully appointed kitchen. Home chefs will love the kitchen's modern recessed lighting, premium Silestone countertops, and 42-inch cabinets with an elegant display area above. The central island serves as a social hub and breakfast bar, complete with an integrated sink and pendant lighting overhead, while the walk-in pantry provides ample storage. A full suite of stainless steel appliances, including a built-in microwave, gas range, and dishwasher, completes this exceptional culinary space. Upstairs, the expansive primary bedroom functions as a
