A wooded backyard and inviting outdoor living space set the tone for this beautiful, move-in ready home. Framed by mature trees, the fenced backyard includes a spacious deck, a play set, and fire pit area, creating multiple places to relax or entertain. The thoughtfully designed floor plan offers impressive gathering spaces and everyday functionality. Soaring ceilings define the light-filled family room, while rich hardwood floors, detailed trim and plantation shutters add warmth and character throughout. Your massive main-level primary suite is a true retreat, complete w/ a tiled walk-in shower and expansive custom closet system. A formal dining area connects w/ your spacious kitchen which features an GE Cafe double oven w/ induction cooktop, GE Cafe microwave, granite countertops, abundant cabinetry, bar seating, & stainless appliances. A downstairs laundry and half-bath are conveniently located at the bottom of the stairs. Upstairs you have four additional rooms including the huge FROG and two full bathrooms, providing plenty of options for guests, home offices, hobbies or additional living space, all complemented by updated LVP flooring. Two walk-in attic spaces provide easy access for storage, as well. Life in The Ponds extends well beyond the front door. Designed around a strong sense of community and the natural
