Welcome to 129 Historic Drive, an exceptionally well-cared-for home offering stunning marsh views in Mount Pleasant's highly sought-after Belle Hall community. Step inside to an inviting open floorplan designed for both comfortable daily living and seamless entertaining. The main level boasts an oversized formal dining room featuring gorgeous wood floors, a spacious family/living room centered around a cozy fireplace. The large, eat-in kitchen is a true highlight, offering tile flooring and backsplash, with glass doors that lead directly to a spacious deck--perfect for outdoor grilling and dining. All bedrooms are conveniently located upstairs. The beautiful primary retreat features sleek laminate flooring and an en-suite bath complete with a large whirlpool tub and a separate shower. The massive finished room over the garage currently serves as the fourth bedroom upstairs but also would make an ideal media/entertainment room, playroom, or home office. Beyond the property itself, Belle Hall offers an incredible lifestyle for all. Residents can enjoy swimming in the community pools, playing tennis or pickleball, riding bikes along the neighborhood trails, and even the convenience of walking to the neighborhood school. Use seller's preferred lender to buy this home and receive an incentive towards your closing costs or rate buydown.
