This home offers the space, upgrades, and Lowcountry lifestyle buyers are looking for in Johns Island's sought after Sea Island Preserve. Set on a spacious .37 acre fully fenced lot, this five bedroom, four and a half bath home combines a flexible floor plan with thoughtful upgrades throughout. The heart of the home is the open concept living and kitchen area, designed for both everyday living and entertaining. The gourmet kitchen features quartz countertops, a gas cooktop, generous cabinetry, and a large island overlooking the main living space. A fireplace adds warmth to the living area, while the screened porch extends the living space outdoors and overlooks the expansive backyard. One of the home's standout features is the attention given to storage and organization, with custom California Closets throughout the home, including the laundry room. Additionally, custom plantation shutters and window treatments throughout the entire home. The flexible five bedroom layout provides plenty of room for guests, or additional living space, while the 4.5 baths make the home especially functional for a larger household. Outside, enjoy a fully fenced backyard with a separate dog run, screened porch, and plenty of room to create your own outdoor retreat. Double front porches give the home classic Lowcountry character and additional
