MLS# 26029058

\$380,000

3 Bedrooms | 2.5 Bathrooms | 1,678 Sqft

The Dillon plan is a thoughtfully designed two-story home offering three bedrooms and two and a half baths. The first floor features an open, airy layout ideal for both entertaining and everyday living. A large kitchen island overlooks the great room, creating the perfect space for gathering, while the kitchen also includes a walk-in pantry and a convenient drop zone with a coat closet just off the garage entry. Step outside and enjoy the covered back porch, perfect for relaxing, dining, or entertaining year-round.
