No HOA! One of the best prices per square foot in Archdale, this 3-bedroom, 2-bath home has a downstairs primary suite ready for your personal touch. It sits on a 0.33-acre lot near a quiet cul-de-sac with no through traffic. Enjoy and entertain on the back porch + deck in beautiful Lowcountry weather. The fenced backyard has room to park your boat, and the Ashley River is just minutes away for those days on the water. The Charleston AF Base, Airport, shopping, parks and recreation, library + so much more is a few miles away. Inside, the open-concept living area is filled with natural light from soaring cathedral ceilings and plenty of windows. Upstairs you'll find the laundry, a full bath and two generously sized bedrooms. One has a walk-in closet that makes it feel like a second primary bedroom. The HVAC system is only 5 years old, and the air handler sits in the two-car garage for easy maintenance. Zoned for Dorchester District 2 schools.
