\$475,000

3 Bedrooms | 2.5 Bathrooms | 2,119 Sqft

Welcome to the Pinckney, a charming Charleston single-style home with inviting spaces and a full front porch that welcomes you home. Inside, a study and a separate flex room offer plenty of options for working from home,, hobbies or everyday living. The open concept family room, kitchen, and dining area create an ideal space for gathering and entertaining. The gourmet kitchen features GE Profile stainless steel appliances, double ovens, a gas cooktop, white soft-close cabinetry, and creamy white quartz countertops. Upstairs, the versatile loft is joined by two secondary bedrooms, a full bathroom and the owner's suite with a private bathroom retreat. Since purchasing the home, the sellers have added appliances, window coverings, and a fenced yard ,providing thoughtful updates for comfortable living. The home is also located conveniently within a short walk of the community amenities, including the pool, fitness enter, park and the agrihood. Use Seller's Preferred Lender to buy this home and receive an incentive towards your closing costs or rate buy down.
