Welcome to the Glover-Padgett-Jackson House, located in Historic Hickory Valley, which features Southern Plantation style homes nestled along city streets shaded by centuries-old Live Oaks draped in Spanish Moss. This house features an extra-large full front porch overlooking massive live oak trees, camellias, crepe myrtles. azaleas and more. When you step inside you are greeted with 14-foot ceilings, gleaming two-and-one-half-inch antique heart pine floors, beautiful woodwork, three fireplaces and built-in shelving throughout. Awarded "The Walterborough Key Historic Award" for maintaining its historic integrity. Built circa 1830, with two additional wings added in 1954. Large lot 0.81 of an acre. This is your chance to own a beautiful part of history at an affordable price!This is an estate sale and will be sold AS IS . For more information on the history of the special home please look in the document section.
