Better than new, and ready to welcome you home. Welcome to 5 Hobb Stone Lane, the 'Cali floor plan, tucked at the very end of the road in Blythewood's Leatherstone community with no neighbors behind you. Not one thing has ever been hung on these walls, and the home is immaculate throughout, without a single mark of wear. Walk in and you'll swear it's brand new. This is NOT a vinyl home. The first thing you'll notice is the light. Tall ceilings and huge windows fill the home with natural light from morning to evening. The upgrades are already done: blinds cover every window, ceiling fans keep things cool, and gorgeous LVP flooring runs through the entire home with not one square inch of carpet. Outside, an irrigation system keeps the lawn lush and green with no hoses to drag around.The bright, all-white kitchen is the showpiece. It has a floating island, sparkling white quartz countertops, a tile backsplash and crisp white shaker-style cabinets, plus a large walk-in pantry for all your storage. The shiny new stainless steel appliances all stay, including the refrigerator and upgraded stove, and so do the washer and dryer. The extended appliance warranty transfers to the buyer. Just unpack and start living!Everything is on one level, and the split floorplan puts the primary suite privately at the back of the home with its own bath. What's better than one closet€
