NEW CONSTRUCTION! Nestled in Victory Point, an established and quaint gated community of only 27 homes in Charleston National, this exquisite custom-built home is truly a work of art...a rare opportunity to own a home with the fine quality and unmatched craftsmanship that Brier Inc is known for. The location is ideal, offering the privacy and serene setting you desire while being minutes away from downtown Charleston and the beaches of Sullivan's Island and Isle of Palms. Water views abound from this home with a marsh view out the front and a golf course and lake view from the rear. Only discerning buyers will notice the quality craftsmanship and finishes this home offers. As you step into the foyer, you will be captivated by the floating antique wooden beams reclaimed 1920's Prohibition Era Boston Beer Racks, setting the tone for the exquisite craftsmanship throughout. The kitchen is a chef's delight, featuring Thermador Professional Series appliances, custom cabinetry and a massive island with storage galore. The island is equipped with a 45 sink that takes functionality to a whole new level with dual level attachments that convert your kitchen sink into a full-fledged workspace. If that's not enough, there's an extra-large walk-in Butler's Pantry featuring antique reclaimed circle-sewn countertops and an additional Blomberg refrigerator/freezer.
