4 Bedrooms | 3 Bathrooms | 3,358 Sqft

NEW MARSH-FRONT HOMES ON DANIEL ISLAND! The "Fairbank" plan offers a thoughtfully designed layout with a first-floor primary suite, providing a peaceful retreat at the heart of the home. The expansive family room seamlessly connects to a screened porch, perfect for indoor-outdoor living on the marsh! The kitchen flows into a spacious dining room, ideal for gatherings. Upstairs, you'll find additional bedrooms and a versatile recreation room, providing plenty of space for relaxation and entertainment. Double covered porches enhance the home's charm, offering extra outdoor living spaces for enjoying the surrounding views during all of the four seasons in the Lowcountry. Estimated completion April 2026. Listed By Charleston Trident MLS
