Welcome to 912 Cheehaw, your dream coastal retreat! Nestled in a prime location in the heart of the island, this stunning custom-built home is just half a block from the pristine Atlantic Ocean. Completed in 2023, this architectural masterpiece boasts high-end finishes throughout, including a La Cornue gas and electric range, elegant custom cabinets, and exquisite Cambria countertops with a stylish backsplash. Enjoy the airy ambiance created by soaring 10-foot ceilings and beautiful chandeliers adorning every room. The family room features a unique tiled ceiling and built-in bookcases, perfect for showcasing your favorite reads. Step outside to relax on the charming screened-in porch or explore the expansive backyard, which is ideal for adding a pool--electrical connections are already in place! Additional highlights include an ice maker, luxurious master bath with a spacious shower and soaking tub, a stone walkway, a lawn irrigation system, whole house Generac generator, tankless water heater, an elevator shaft and durable 8 1/2 inch oak plank wood flooring throughout. 912 Cheehaw is the ultimate combination of luxury and location. Don't miss your chance to make this exquisite property your own! The parrot sconces, downstairs bathroom mirror and draperies/curtains do not convey. House has never been rented. Owner
