\$1,250,000

3 Bedrooms | 2 Bathrooms | 2,071 Sqft

Enjoy a gorgeous heated inground pool with lounge seating, a spa, gas firepit, a fully equipped outdoor kitchen with highend appliances including grill, icemaker & fridge and an outdoor shower - all of this set in lush landscaping complete with palm trees. Freshly painted through out inside, downstairs porcelain floors, a large kitchen with open floorplan to living & dining room. Kitchen features a large center island, a gas range, upgraded soft close cabinets, quartz countertops with tile backsplash and lots of storage. Upstairs offers 3 bedrooms including the primary all with coastal hardwood floors. Custom plantation shutters through-out & custom designed closets. Enjoy Lowcountry breezes from your front porch or the very large screened-in back porch off the kitchen and living area. Two car detached garage with lots of storage in the attic. Just a 4 minute bike ride to Daniel Island Elementary School and an 11 minute bike ride to Bishop England. Daniel Island Smythe Park, Hester Park, The Waterfront Park, walking trails, restaurants, shops, and more just a short walk away or an 8 minute drive. Be sure to not miss this great home. All information deemed to be true but may not be exact, buyer to verify. Listed By Charleston Trident MLS
