Nestled in the heart of Charleston's historic Westside, this elegant Charleston Single home seamlessly blends timeless charm with thoughtful updates. Boasting three generous bedrooms and two full baths, this classic residence welcomes you with gleaming wood floors, detailed crown molding, and abundant natural light throughout. The inviting living room features a cozy fireplace, while the formal dining room, also with its own fireplace, sets the stage for memorable gatherings. The renovated kitchen offers modern functionality with a touch of Southern grace. The kitchen is a true showpiece, featuring walls and ceiling crafted from repurposed wood salvaged from the home—offering a warm, authentic nod to the past while embracing modern functionality. All three spacious bedrooms are tucked away upstairs for added privacy, with the primary opening to the iconic double piazzas that overlook the quiet street and lush backyard. It also has its own fireplace, an inviting retreat! A durable and stylish metal roof adds long-term peace of mind and architectural appeal. Step into the beautifully landscaped courtyard, where Old Charleston brick, a raised deck, and a serene seating area create a perfect outdoor retreat. Mature flora, a fruiting grapefruit tree, and a charming shed add character and convenience to this enchanting property. This is Charleston
